ACRYLIC LAMINATE

AMAZING ACRYLIC

FEATURES

- Treated with a special lacquer coating on the surface, our 6 H Anti-scratch acrylic laminates can bear daily wear & tear.
- Anti-yellow UV resistance.
- Anti-bacterial and Anti-fungal.
- Our Laminates are specially treated to ensure they remain termite and borer free for several years.
- Lots of range and huge collection.
- Low porosity low water absorption.
- For ease of use and effortless installation, our range of laminates have been developed in a way to keep them extremely lightweight.
- Our anti scratch acrylic laminates are extremely sturdy and durable. They can withstand heavy load easily.

BUFFING

"Our collection stands at the crossroads of elegance and durability. Each laminate is expertly chosen to defy traditional norms, showcasing a distinctive narrative of strength and style in every design."

VISUALIZER

"Believing in seamless selection through the latest tech. Our visualizer brings all colors to one screen, allowing you to see laminate color changes across your home instantly—click, design, and share with just a tap."

TERMS & CONDITIONS

"No Guarantee & No Exchange under any circumstances. Color variations may occur between different batches, so it's recommended to use the same batch to avoid inconsistencies. Thickness variations of 10% - 15% may also occur."

STORY,

At Rama Acrylic, we believe in the transformative power of colour. Our collection of vibrant acrylic laminates brings life and energy to every space they touch, and are carefully curated to inspire, energize, and make a bold statement, turning ordinary surfaces into extraordinary focal points. Using advanced technology, we create laminates that not only pop with intense hues but also stand the test of time, bringing your colorful visions to life.
